

USBIO Development Kit for Windows

Licensing Model and Price List

November 2011

Supported Operating Systems:

- Windows 7 (32-bit and 64-bit),
- Windows Vista (32-bit and 64-bit),
- Windows XP (32-bit and 64-bit),
- Windows 2000

Runtime License

The licensee will receive the software in binary executable format. The licensee may install and use the software on any numbers of computers at the site for which the license was given. The licensee is permitted to distribute the Software, in whole or in part, as long as the distributed files are for use with hardware products. The licensee may use the Software with any number of hardware products. There is no limit on the number of units which may be distributed. Please refer to the USBIO Development Kit License Agreement for the complete terms of license.

USBIO Source Code Add-on Licenses

The following options are available to license the source code of the core components of the USBIO Development Kit. Any source code license is only an add-on and requires a Runtime License. The USBIO Source Code Add-on Licenses can be ordered within 12 months of purchase of a USBIO Runtime License. Please refer to the USBIO License Agreement for the complete terms of license.

USBIO Driver Source Code Add-on License: The license includes the Source Code of the USBIO kernel-mode device driver.

USBIOCOM Source Code Add-on License: The license includes the Source Code of the USBIO COM object that provides a high-level programming interface for use in Visual Basic or Delphi.

Prices

All prices do not include VAT. For prices in US dollars, please e-mail usbio_AT_thesycon_DOT_de.

License	License Fee
Runtime License	2500 EUR
Option: USBIO Driver Source Code Add-on License	8000 EUR
Option: USBIOCOM Source Code Add-on License	3000 EUR

Technical Support

Each of the license fees given above includes 2 hours of premium technical support by e-mail or phone. All support services will be provided by a USB and device driver expert.

Warranty

The warranty period is 6 months. During this period Thesycon fixes issues free of charge.

Update Prices

If a new version of the USBIO is released an existing license may be updated to the new version according to the conditions below. A license update is possible within a period of 48 months after the license purchase or the last update.

License	within 6 months of purchase/ last update	within 24 months of purchase/ last update	within 24...48 months of purchase/ last update
Runtime License	free	400 EUR	800 EUR
USBIO Driver Source Code Add-on License	free	1600 EUR	3200 EUR
USBIOCOM Source Code Add-on License	free	600 EUR	1200 EUR

Please contact Thesycon if you have questions regarding license updates.
